

Dear JFCPreschool Parents,

Welcome to our 2011-2012 school year! We are looking forward to an exciting year of fun and learning with your children and we are excited about doing it in partnership with you. We hope this form of communication will be helpful to you. You will receive our letters and notifications as well as your teacher's monthly newsletters via this email format. We will put notices up on the door of your child's classroom, each time we send you an email. This way you will know to check your "inbox".

Our Kick-Off Breakfast was a huge success, thanks to so many parents who attended. We love all our new families and returning families that made our mornings bright by volunteering for so many activities that are planned for the school year. We will be calling you in the next two weeks for your help. Thank you so very much for assisting us in all the areas where we will need you! You folks are awesome! If you were unable to attend our breakfast and would like to volunteer at one of our events during the year or assist a teacher or the Directors, please feel free to stop by the Office and we will show you our Volunteer chart. You can check it out and see what and where fits your schedule the best. Thanks again!

The Workshop Survey was interesting. Thank you for filling it out. There is definitely an interest in having some workshops. The most popular subjects were Parenting Skills and Behavior; and mornings was hands down the easiest time for the majority of you. We will look into getting speakers for these subjects and one or two more. This will be fun and a great learning experience for us all.

Attached please find the annual calendar for our school year. Please print it and keep it handy so you know what is coming up next! Our Bookfair is our next big event on September 12th, with our Pajama Fun Night on Friday, September 16th. And, a friendly reminder, no school on Monday, September 5th due to Labor Day.

Pizza cards are available at the office. A \$20 pre-paid pizza card offers your child 10 slices of pizza. We serve pizza on Thursday and Friday. This is an optional lunch selection for your child. We will give your child only up to 2 slices and you provide the remainder of his/her healthy lunch, including a drink.

One of the big Fundraisers we have is our annual Holiday Boutique Bazaar. This year it will be held on Saturday, November 12th, 9 am - 3pm. We sell spaces and rent tables (if a vendor needs one) to

people who sell quality products, both homemade and retail, for the holidays. We have offered the spaces to our vendors who were with us last year. Now we offer them to our preschool families. If you would like to be a part of our Bazaar, we have attached the Vendor form which gives you all the details. All you do is pay for the space and if you need it a table, the rest of the money you make from selling your product is yours to keep. We do have certain limitations on types of products. For example, only 5 jewelers, 1 each of retailers - i.e., Avon, Mary Kay, Discovery Toys, etc., and your payment claims your spot. So, if you have a skill or talent or business that would fit into our Boutique, give us a call (743-1885)! Again, the vendor form is attached for you to print out. Please feel free to call with any questions.

Our year started out rather interesting with Hurricane Irene. I know many of you, like us, have relatives and friends up the coast of the US, many of who were affected by the massive storm. We pray that they all are safe and experienced minimal damage.

Parents Night Out begins this Friday, September 2nd, 6 pm - 10 pm. This is an evening hosted by our Youth Director, Kelly Kunf, and her Teen Leaders. You can drop your children off at our Preschool building and they will be entertained with crafts, playing outside, playing games and later watching a movie. A donation to the group is your payment. The children have a blast! Sign-up is not needed, just show up! If you have any questions, please call the church at 747-8340. (Children of 'most' ages are welcomed; however, like the preschool all children must be potty trained....thank you.)
